

PRESS RELEASE

THE ROYAL AERO CLUB TRUST ANNOUNCES THEIR FLYING FOR YOUTH BURSARY WINNERS FOR 2009

The Royal Aero Club Trust is pleased to announce Flying for Youth bursary winners for 2009.

Amongst other activities, the Trust exists to help young people develop their full potential through air sports. Annually, it offers several bursaries, each of up to £500, to enable young people from 16 years of age to progress in their air sport, including aero modelling, and to enable personal computer or flight simulator pilots gain initial flying experience.

Additionally, the Trust carries out research into air sports and it preserves aviation history.

The Trust is a registered charity. If you would like to assist the Trust in its aims and make a donation please contact the Trust Treasurer, Peter Crispin (www.royalaeroclubtrust.org).

Details of how to apply for a 2009 bursary will be posted on the Trust's website in September 2009 (www.royalaeroclubtrust.org).
